Briefly explain the reason you're submitting your resignation from membership:

What is the name of the church where you plan to pursue membership?

Please include the name of the church, city, state, and website (if applicable)

Is there anything you would like to share about how God used your time here at PBC that we could share at the members meeting?

By my signature I express my intent to resign my membership from PBC. I realize that my resignation is not complete until it has been approved by the congregation at an upcoming Members' Meeting.

The PBC Constitution states: *The termination of Membership in the Church occurs upon approval by the Members present and voting on the question at any Members' Meeting. The Church shall recognize the termination of a person's Membership in one of four ways: (1) following his or her death, (2) after he or she has voluntarily resigned, (3) after he or she has joined, or expressed intent to join, with another church that believes the same Gospel (as defined in [our statement of faith]), or (4) as an act of Excommunication (ordinarily, but not necessarily, at the recommendation of the Elders). The Church shall have authority to refuse a Member's voluntary resignation or transfer of Membership to another church, either for the purpose of proceeding with a process of Church Discipline, or for any other biblical reason.*
